***CAPZ - "The clear choice for quality"***

# Mission

To deliver uncompromising quality in glass, metal, and interior fit-outs by combining innovative global technologies with deep-rooted local compliance and craftsmanship. To deliver reliable, cost-effective, and high-quality interior fitout and glazing solutions that exceed client expectations.

To be the first-choice technical partner for Qatar's most ambitious architectural projects, recognized for our ability to solve complex structural challenges with aesthetic excellence. To become a trusted leader in the fit-out and glazing works industry through innovation, integrity, and excellence.

# Vision

[www.capzqatar.com](http://www.capzqatar.com)

# HSE Policy

At **CAPZ Decoration And Installation**, we are fully committed to conducting our operations in a manner that ensures the **health, safety, and well-being of our employees, contractors, clients, and the community**, while protecting the environment in the State of Qatar. We recognize that effective Health, Safety, and Environmental (HSE) management is an integral part of our business success and sustainability.

[www.capzqatar.com](http://www.capzqatar.com)

[www.capzqatar.com](http://www.capzqatar.com)

# Our Commitments

- Comply with all applicable laws and regulations in Qatar, including requirements set by authorities such as the Ministry of Labour Qatar and Ministry of Environment and Climate Change Qatar.
- Provide and maintain a safe and healthy workplace, minimizing risks and preventing injuries and occupational illnesses.
- Identify hazards, assess risks, and implement effective control measures to reduce workplace incidents.
- Promote a strong safety culture where all employees take responsibility for HSE performance.
- Ensure proper training, awareness, and competence for all employees and contractors.
- Protect the environment by minimizing waste, reducing emissions, and preventing pollution.
- Continuously improve our HSE management system through regular monitoring, audits, and reviews.

[www.capzqatar.com](http://www.capzqatar.com)

# Employee Responsibilities

- Follow all HSE procedures and instructions.
- Use appropriate personal protective equipment (PPE).
- Report hazards, near misses, and incidents promptly.
- Participate actively in HSE training and initiatives.
- Take reasonable care of their own safety and that of others.

# Management Responsibilities

Management is responsible for:

- Providing leadership and resources to implement this policy.
- Ensuring HSE objectives and targets are established and achieved.
- Conducting regular risk assessments and inspections.
- Investigating incidents and implementing corrective actions.

[www.capzqatar.com](http://www.capzqatar.com)

***Health, Safety and Environmental*** protection is a shared responsibility.

At ***CAPZ Decoration And Installation WLL***, we believe that all incidents are preventable, and we are dedicated to achieving a workplace free from harm and environmental impact.

# What we offer

[www.capzqatar.com](http://www.capzqatar.com)

## Interior Fitout Work

Transforming raw shells into high-performance, turnkey environments through a seamless blend of visionary design and technical execution.

We manage the entire interior lifecycle from MEP integration to bespoke joinery ensuring that every square meter reflects your brand's prestige while adhering to Qatar's rigorous safety and building regulations.

- Design & Build: Comprehensive concept-to-handover project management.
- Acoustic Partitions: High-spec flooring, ceiling, and wall systems.
- MEP & IT Integration: Seamless Mechanical, Electrical, and Digital infrastructure.
- Bespoke Joinery: Custom-crafted woodwork, furniture, and premium finishes.

# What we offer

[www.capzqatar.com](http://www.capzqatar.com)

## Specialized Glass Works

Engineering transparency and structural strength with advanced glazing systems that prioritize acoustic privacy and modern aesthetics. Our glass solutions are designed for the demanding Qatari climate, utilizing high-performance thermal-break technology and safety-tempered glass to create open, light-filled spaces without compromising on energy efficiency.

- Partition Systems: Single, Double, and Demountable glass wall solutions.
- Specialized Entries: Automatic, sliding, Swing and foldable glass door systems.
- Building Envelopes: High-performance curtain walls and structural glazing.
- Architectural Accents: Mirror works, glass handrails, and luxury shower enclosures.
- Aluminium works: Aluminium windows, doors and partitions.

# What we offer

[www.capzqatar.com](http://www.capzqatar.com)

## Metal Works

Delivering structural integrity and bespoke metal fabrication for Qatar's most ambitious architectural projects. Our specialized workshop combines industrial-grade engineering with artisanal craftsmanship, producing everything from heavy-duty structural frames to intricate decorative metalwork in stainless steel and metal.

- Structural Engineering: Heavy-duty metal and stainless-steel structural works.
- Climate Solutions: Custom-fabricated metal ventilation louvers and metal fencing.
- Architectural Metal: Bespoke metal doors, railings, and decorative features.
- Stainless steel :SS cladding, Handrail, Skirting and Doors.

# What we offer

[www.capzqatar.com](http://www.capzqatar.com)

## Maintenance Services

Protecting the longevity and aesthetic value of your architectural assets through proactive technical support and preventative care. Our specialized maintenance teams ensure that complex MEP systems, motorized structures, and high-end glass installations continue to perform at peak efficiency, minimizing downtime and preserving the integrity of your investment.

- Civil Maintenance: Structural upkeep, restoration, and civil modifications.
- MEP Services: Preventive care for Mechanical, Electrical, and Plumbing systems.
- System Calibration: Performance auditing for motorized and automated systems.
- Specialized Finishing: High-level glass polishing, metal surface protection and self-leveling solutions.
